

We go together like RAMA LAMA LAMA...

A HULLA SUMMER SING SONG!

WE BELONG TOGETHER *by Vampire Weekend. Vocal arrangement by Kirsty Martin 2021*

1 We go together like sound and sight, black and white, day and night
We go together like left and right Oh, we go together

2 We go together like give and take, pains and aches, real and fake
We go together, don't be opaque, it's clear we go together

Refrain: We belong together - there's no use in being clever
We belong together - so *let's stay together fore....ver!*

3 We go together like pots and pans, surf and sand, bottles and cans
We go together like lions and lambs, oh, we go together

4 We go together like Keats and Yeats, bowls and plates, days and dates
We stay *united in all our states* it's how we go together

Repeat **Refrain**, then **Coda:** La la la la la – la la la la – laaa laaa laaa x 4
We belong together!

This ship, our stage

The text for this pentatonic little seafaring round was taken from Shakespeare's Pericles. Music by Kirsty Martin

And so to sea!
Singing a song that old was sung
Sailing ships and bounteous winds
Our vessel shakes on Neptune's billow
Brine and cloudy pillow
In your imagination hold
This ship our stage x 3

Life is too short *by Faith Watson*

- 1 Life is too short just to dream of what you really want to do with your (life)!
- 2 If you find it hard to make a change, imagine life where nothing changes!
- 3 Hold on to your dreams, but don't just dream them!
- 4 If you want to reach out for something new,
it's time to stop dreaming, you're gonna have to do it!
- 5 Life – changing – reaching – or is it just a dream?!
